

**Title 6—DEPARTMENT OF HIGHER EDUCATION**  
**Division 250—University of Missouri**  
**Chapter 11-- Fertilizer Law**

**PROPOSED RULE**

**6 CSR 250-11.041 Inspection fee on manipulated animal or vegetable manures fertilizers**

*PURPOSE: This rule establishes the inspection fee on manipulated animal or vegetable manure fertilizers sold in the state.*

- (1) The fee provided to be established by rule under section 266.331, RSMo, for manipulated animal or vegetable manure fertilizers. Manipulated manure fertilizers shall be guaranteed. The fee is established at two cents (2¢) per ton per percent nitrogen for nitrogen levels less than five percent (5%), or four cents (4¢) per ton per percent nitrogen for nitrogen levels of five percent (5%) but less than ten percent (10%) or six cents (6¢) per ton per percent nitrogen for nitrogen levels of ten percent (10%) or greater.

*AUTHORITY: section 266.231, HB 734, Ninety-fifth General Assembly 2009.*

*PUBLIC ENTITY COST: This proposed rule will cost state agencies more than \$500 in the aggregate. It is estimated that implementation of this rule will cost -\$48,682.29 in reduced fees based on currently reported fertilizer products for the period 2008-09.*

*PRIVATE ENTITY COST: This proposed rule will not cost small business private entities more than \$500 in the aggregate.*

*NOTICE TO SUBMIT COMMENTS: Anyone may file a statement in support of or in opposition to this proposed rule with the Director, Fertilizer/Ag Lime Control Service, University of Missouri, Columbia, MO 65211-8080. To be considered, comments must be received within thirty days after publication of this notice in the **Missouri Register**. No public hearing is scheduled.*
